*If we believe,
we will achieve.*

17th May 2021

Dear Parents/Carers,

In line with the National Curriculum, pupils in Year 6 will be taught the Relationship and Sex Education unit of work; Growing and Changing; Reproduction, Birth and puberty, during the week commencing 24th May 2021.

The sessions will be held separately for boys and girls. In order to facilitate this, we will be mixing up to 3 classes together, and we want to reassure parents and carers that we have carefully considered our Covid-19 risk assessment and the current local case rates in making this decision. The groups will be the same as those within the expanded playground bubbles. All other Covid-19 control measures will remain (such as hand wash before and after the session, good ventilation through the classrooms used, children sitting next to someone from their own class bubble wherever possible)

Children will have the opportunity to ask questions, so we can address any concerns or worries that they may have, as well as having an opportunity to write about what they already know.

If you would like to view the materials and resources we will be presenting, ahead of your child taking part in this unit of work, please follow the following link: <https://chalkwellhall.co.uk/parents/relationships-and-sex-education-rse/> where both the boys and girls resources are available as separate files.

If we have your consent and you are happy for your child to participate in this National Curriculum unit, you need take no further action. However, if you do not wish your child to take part, please email your child's class teacher as soon as possible (e.g. new6af@chalkwellhall-jun.southend.sch.uk)

Thank you for your continued support.

Yours sincerely,

Mrs A. Fox

Acting Headteacher: Mr Nick Hanshaw BA (Hons) Chair of Governors: Mr Tony Moltino
